8:30 a.m. shotgun start
Proceeds benefit LEAF scholarships

Del Monte is a landmark course that has played an instrumental role in popularizing golf out West since its inception in 1897. The course's Del Monte Championship was so highly regarded that many considered the champion to be the best golfer in the state.

The birthplace of the California State Amateur and the oldest course in continuous operation west of the Mississippi retains much of its classic charm today, challenging the game's best golfers with its small, sloping, old-school greens.
